

WOMEN IN LEADERSHIP

Dr Troy Coyle

Chief Executive Officer - HERA

Troy is the CEO of HERA, an independent research association focused on heavy engineering. She is the Chair of the Sustainable Steel Council and Chair of the Establishment Board for the Manufacturing, Engineering and Logistics WDC. She is also on the boards of Metals NZ, Steel Construction NZ, and the National Association for Steel Framed Housing and a member of the Construction Industry Council.

She was previously the Head of Innovation and Product Development at New Zealand Steel and prior to that held a similar role with BlueScope Steel in Australia.

She has a keen interest in sustainability, inclusion, future trends, research and innovation.
